

ACA Playing Formats

Year 8 Premier

18 teams

8 rounds

Grading Rounds (5 rounds)

There will be 3 pools of 6 teams. Each pool will play a complete round robin. Final placings will decide the grading for the championship rounds.

The teams which wins in pool will compete in the Championship. The highest finishing 2nd placed team will also join the Championship.

The two lowest finishing 2nd placed teams and the two highest finishing 3rd placed teams will compete for the Shield.

The lowest finishing 3rd placed team and the teams finishing 4th will compete for the shield.

All teams finishing 5th and 6th will compete for the Bowl.

Championship Rounds (3 rounds)

The winner of the Championship, Shield and Plate competitions will be the team on the most points following a complete round robin.

The winner of the Bowl will be the team on the most points following an incomplete round robin.
