Batting

The batting 8 must be named prior to 8.30am.

Batsmen bat in 5 over partnerships.

For each dismissal 3 runs will be deducted from the batting side.

Batsmen will not leave the crease until their 5 over partnership is completed.

Plastic or Wooden bats may be used.

Modes of Dismissal

All modes of dismissal apply.

Bowling

One over consists of a minimum of 6 balls and, if at least two wides and/or no balls are bowled, a maximum of 8 balls.

All overs must be bowled from the same end.

All players must bowl a minimum of 2 overs. No player may bowl their third over until all others have bowled 2. No player can bowl more than 3 overs.

Where there are more than 8 players, any player not named in the batting 8 must bowl.

No Balls and Wides

Umpires must agree wide lines prior to the game.

Any delivery which passes, or would have passed, above the batsman's shoulder is a no ball.

Any delivery which passes, or would have passed, above the batsman's waist on the full is a no ball.

If a ball bounces more than twice before reaching the popping crease it is a no ball.

There shall be no restriction on the number of wides or no balls called in an over. However, each over will consist of a maximum of 8 balls.

Fielding

All overs are to be bowled from the same end.

To ensure a fast game we recommend coaches instruct their teams to rotate in the field i.e., each player moves clockwise after each over.

No player may field within 10 metres of the bat except between 'point' and the wicketkeeper.

No more than two wicketkeepers are to be used during an innings. Wicketkeepers must only be changed during the drinks break.

Should the wicketkeeper change they must bowl the minimum 2 overs.

Umpiring

Coaches should only be used as umpires as a last resort.

We encourage the same umpires remain throughout the game to ensure consistency.

Coaching

We strongly advise coaches wait until a break in play to provide feedback.

At no stage should a coach who is not umpiring be on the field during play.
