Batter is out when out.

15. Stumpings

Yes.

16. LBWs

The LBW Law applies.

17. Uneven Team Numbers

- A team may bat players twice if they have less than 9 players but returning batsmen must be returned in ascending order i.e. the lowest scoring batsman (dismissed) must return first and so on.
- A dismissed batsman may only return after any retired batsmen have returned.
- The batting team must provide up to 2 players to assist with fielding. These players

may be rotated as the need arises.

18. No balls / Wides

- Normal cricket laws apply.
- Any delivery which passes (or would have passed) above the batsman's shoulder, or any full-toss which passes (or would have passed) above the batsman's waist, shall be called a no-ball.
- Umpires must agree wide-lines before the start of play.
- There shall be no restriction on the number of wides or no-balls which may be called in an over, but maximum 8 deliveries per over.

19. Double Bounce Rule

Called a no ball if the ball, without having touched the bat or person of the striker, bounces more than once, or rolls along the ground, before reaching the popping crease.

20. Length of Overs

6 Fair deliveries or a maximum of 8 deliveries per over (including wides/no balls).

21. Bowling Restrictions

T20:

Maximum 4 overs per player.

All players must bowl minimum 2 overs.

No player may bowl their third over until all players have bowled two overs.

Where there are more than 9 players, any player who is not named in the batting 9 must bowl 2 overs.

Limited Overs:

Maximum 6 overs per player.

All players must bowl minimum 2 overs.

No player may bowl their third over until all players have bowled two overs.

Where there are more than 9 players, any player who does not bat must bowl 3 overs.

22. Retirement/Batsmen Returning

T20:

Compulsory retirement of batsmen after 18 balls faced. Retired batters may only return at the end of the innings in the order they first retired (i.e. first retired batter returns first, next retired batter returns next and so on). Batters cannot be retired early unless injured.

Returning batter cannot be retired a 2nd time once returned to the crease.

Limited Overs:

Compulsory retirement of batsmen after 42 balls faced. Retired batters may only return at the end of the innings in the order they first retired (i.e. first retired batter returns first, next retired batter returns next and so on). Batters cannot be retired early unless injured.

Returning batter cannot be retired a 2nd time once returned to the crease.

Note: Manipulating batting so that batters deliberately get out (batting side) to bring back "better" batters or deliberately not getting batters out (bowling side) to stop "better" batters coming back, are both against the spirit of cricket.

23. Fielding

- To speed up games in T20 matches, bowling is permitted from one end. This must be agreed before the match starts by both team coaches and cannot be changed again during the match.
- No player may field within 15m of the bat except between 'point' and the wicketkeeper where slip fielders are permitted.

24. Wicketkeeper

No more than two wicket keepers are to be used during an innings to ensure that the match is not unduly delayed. Wicket keepers can only be changed during a scheduled drinks break. If a wicket keeper fields then he/she must also bowl the minimum number of overs. Wicket keepers must wear helmets.

25. Umpiring

All umpires are recommended to have completed minimum [Foundations coaching course](#) and have registered and completed [Umpiring Online modules](#). We encourage the same umpires remain throughout the game to ensure consistency. Umpires should provide guidance to both sides to assist with game development. All on field coaching should be done quickly to ensure no delays. Only umpires, coaches or managers can provide on field coaching.

26. Exchange of Umpires

Allowed but umpires must umpire at least half an innings to ensure some consistency for the players, unless agreement to do otherwise has been reached between the coaches.

27. Music

The batting side is permitted to play music for the batters to walk on and off the field and during any breaks of play e.g. drinks break, innings break. This should be done to not delay the game.

28. Spirit of Cricket Rating

Both sides must complete a spirit of cricket rating for the opposition. This is completed by sending an email rating your opposition from 0 – 3, with 3 being the highest rating, along with any comments to njackson@aucklandcricket.co.nz by 5pm the Monday following your game at the latest.

29. Separation of Players and Supporters Areas Before and During Games

All supporters are encouraged to attend games, however, to aid with development of players, supporters viewing areas are to be setup at least 20m away from the players area. Before and during games, all supporters, are encouraged to stay away from the players area where only players/coaches/managers/scorers can enter. Only umpires, coaches or managers should provide any before or during game advice.

30. Grades

There will be Thursday and Saturday T20 grades and a Saturday Limited Overs grade. These are separate competitions. Teams can enter into multiple competitions both before and after Christmas. Only four teams per club can be entered into the Limited Overs Grade (two in A and two in B). Should some clubs not enter four teams into Limited Overs Grade, consideration will be given to allowing extra teams from other clubs to fill the vacant team places. There are no limits on clubs on entries into any other grade.

Players cannot play in finals for any team they have not played at least 4 games for previously without ACA dispensation. ACA will divide entered teams into regional pools for each grade, with pool winners and runners up entering a finals format to conclude the season. All eliminated teams will continue to play matches until the season concludes.
