- Maximum of 10 minutes between innings. Umpires will determine the break at the conclusion of the first innings.
- The first innings should conclude no more than 1 hour and 25 minutes from the start time. Should the first innings not be completed in 1 hour and 25 minutes, the second innings will be reduced by one over for every full over not bowler and the innings break will be reduced.
- The second innings should conclude no more than 1 hour and 25 minutes from the start time. Should the second innings not be completed in 1 hour and 25 minutes, the number of full overs not completed will be multiplied by 6 runs and added to the second innings score e.g. if innings is in 17th over at 1 hour and 25 minutes, 18 runs will be added to the score (the complete overs multiplied by six) and if possible, the remaining overs will be completed.
- Umpires will communicate with the Captains and Coaches to encourage fast play should they feel the team is falling behind. Umpires also have discretion to allow time for injuries or other delays outside of the fielding sides control.
- Reduction of Overs: In the event of a late start for any reason, the number of overs to be bowled in respect of the match shall be calculated by allocating one over for each 3.75minutes of playing time remaining until the scheduled closing time for the game. Each team shall be entitled to bat for half of the overs remaining.
- Closing Time: For the purpose of determining the number of overs remaining to be bowled in a match which has a late start for any reason, the scheduled finishing times will be determined by the Tournament Manager.

3. Length of Innings

Each match will consist of one innings per team. Each innings will be limited to 20 overs.

Declared abandoned match if five overs in each innings is not possible.

4. Pitch Length

Full pitch.

5. Boundaries

Full size boundaries as marked.

6. Fielding

- Any fielder standing closer than 7m from the striker's wicket on the on-side or in front of point of the off-side at the instant of delivery must wear the appropriate safety equipment (minimum of a helmet and abdominal protector).
- At no time can more than 5 players be on the boundary. To be considered on the boundary, the players must be within 4m of the boundary at the time of the bowler releasing the ball.
- If fielding restrictions are not met, the umpire will signal and call a 'no ball' that the batter cannot get called out on, including for a run out – a batter cannot continue to run once the bails are dislodged. The next delivery will also be a Free Hit.
- In the event of an infringement of any of the above fielding restrictions, the square leg umpire shall call and signal a 'No Ball'.

7. Ball

156gm Kookaburra Water Resistant Crown Pink Ball is to be used. All teams must provide a new match ball for each innings.

8. Bowling Restrictions

- Bowling is from both ends.
- No bowler shall bowl more than four overs in an innings and 30 overs for the tournament.
- In an interrupted match where less than 20 overs are to be bowled, no bowler may bowl more than a maximum of one fifth of the overs allowed.
- In the event of a bowler breaking down and not being able to complete an over, the remaining balls must be bowled by another bowler. Such part of an over will count as a full over only insofar as each bowler's limit is concerned.

9. Uneven Team Numbers

- If a team has more players than the required number for the grade, both coaches must agree before the match starts how this will be managed.
- A team may bat up to two players twice if they have less players than the required number for their grade.
- Any returning batter/s must be the lowest scoring batter/s (dismissed). These players may only bat at the end of the innings once all batters have either been dismissed or retired, **and** before any retired batters return to the crease.
- Regardless of whether a team has more, or less players than required, the maximum number of fielders allowed on the field is equal to the maximum team number for that grade. If a team is short of players, the opposition should be asked for assistance with fill-

in fielders. If a team has additional players, rotation must be between overs only, as to not disrupt the game time.
